**CENTURION UNIVERSITY OF TECHNOLOGY AND MANAGEMENT
ODISHA**

P R E F A C E

“**Lifelong learning**” is an extension of classrooms, books and theories. The DNA of Centurion is to offer ramps and ladders for multiple entry and exit by adopting and adapting National Credit Framework.

Centurion University is committed to create & maintain the strongest alumni network, that will be loyal not only for the university but also dedicated towards working & build the society by using the “**Lifelong learning**” approach and adopting the “**Lifelong bonding**” approach with “Centurion University of Technology & Management” & the society.

This network to look forward to help in improving the quality of Academic programme, industry collaborations and various facets of CUTM’s operations to ensure continuous improvements and exemplary standards of services to our present and future student community.

Centurion University alumni network maintains a directory of every graduate's career, residence, and contact information. It's typical for alumni to organize networking events, publish newsletters or magazines, support fundraising efforts for their institution, and serve as exemplars of their university and program.

The alumni network continues in bringing laurels to our university & community as well.

"I think the success of any school can be measured by the contribution the alumni make to our national life."
John F. Kennedy

MESSAGE FROM THE PRESIDENT

The Alumni Network of Centurion University of Technology and Management, though in nascent stage, takes pride in the vibrancy and effervescence of each alumnus and alumna. The University is always eager for the meaningful engagement, interaction and association with alumni to adopt, adapt and improve the quality of our academic programme, industry collaborations and delivery of unique education model that is hands-on-knowledge, experiential-learning and practice-linked pedagogy.

Alumni are our most important stakeholders and their involvement is sine qua non for the evolution, growth and scalability of the University to develop productive future citizens to play leadership role in Nation Building and global sustainability.

Our alumni have played a spectacular role in building the credibility, goodwill and image of our University and exhibited intense commitment to navigate a material difference for the University. Centurion University, on its part, is committed to strengthen the bonding by bridging the gap and linking to every corner of the globe where our alumnus and alumna live, work and reside. However, it is a Herculean task for the University without the active involvement, participation, and support. The CUTM Alumni Association and the Website will facilitate and fast track the connect with all the alumni, which will act as the fulcrum for current and future students of the University.

This is just a small step to bringing the alumni closer to their joys and defining moments of life and instigating the latent intent to share the smiles, successes and stories of Alumni and their families. The University is always eager and enthusiastic to embrace and effect suggestions so that each student, staff and faculty present, past and future would experience the joyful feeling of belonging.

I would request each one of our alumni to spare minimum 2 days of a year to visit the "World of Hopes and Possibilities" at her/his convenience.

The University believes that "We are because you are, you are therefore we are".

Jai Hind.

M.K. Mishra

MESSAGE FROM THE VICE PRESIDENT

It gives me immense pleasure to continue our everlasting ties with you. As our Alumni, you have always been our source of inspiration. I wish to appreciate you for acquiring this prestigious position in your area of expertise and bringing laurels to our institution. This Alumni Association helps in creating a healthy bond between our institute and industries by sharing your valuable thoughts on the latest technology advancements and the industry expectations.

I am sure this bonding would also take you down the memory lane and help you cherish the sweetest moments you had spent with your teachers, mentors and friends. I welcome you all to be a part of this Alumni Association and maintain this healthy rapport among us for a lifetime. As a member of the Club, stay connected with us to receive the latest updates and notifications of our events and programmes instantaneously.

You are our esteemed ambassador and we value your continued association with us, here in Centurion University of Technology and Management.

Professor D. N. Rao

Vice President

Centurion University of Technology & Management, Odisha

*"Nobody is bothered about an institution more than its alumni."
~N. R. Narayana Murthy*

MESSAGE FROM THE VICE CHANCELLOR

Gratitude towards the alma mater and nostalgia for the bygone days are subtle and invisible ties that always keep an alumnus connected to the institutes which educate them. The alumni association of Centurion University intends to offer a platform, physical as well as virtual, for the alumni of all identities, backgrounds and experiences - across the globe to reach out to and build bonds with the campus community of our university to create and deepen the sense of belonging to CUTM, Odisha.

I believe that this bonding will go a long way in ensuring constant improvement of your alma mater and culminate in impeccable standards of services for our present and past student community.

With utmost pleasure, I thank you all for joining hands under this esteemed alumni association. I take this opportunity to request the entire Alumni of CUTM to keep this priceless association strong and determined, to help further the vision of the University - "A globally accredited human resource center of excellence catalyzing "sustainable livelihoods" in the "less developed markets across the globe".

Prof. (Dr) Supriya Pattanayak
Vice Chancellor
Centurion University of Technology & Management, Odisha

ABOUT CUTM

Centurion University is duly recognized as a pioneer in ‘Skill Integrated Higher Education’. Its unique model lays specific emphasis on creating sustainable livelihoods on a national scale in challenging geographies through education that results in employability and sparks entrepreneurship. This model has been recognized by multiple Governments (Central and State), International Organizations such as UNESCO and the World Bank as well as Policy Think-tanks such as the Niti Ayog. Recently, Centurion University’s School of Vocational Education and Training has been recognized as a Center of Excellence by Ministry of Skill Development and Entrepreneurship, Government of India. It is the only University in India to be recognized as such.

We have continually strived to be a best in class human resource development hub that builds employable, enterprising and society centric youth through industry relevant education, skill development, new ventures, production, and technology development.

The founders, faculty and staff are fully committed to its credo: Shaping Lives. Empowering Communities.

This credo is underpinned by a value system of Inclusivity, Integrity, Equity, Respect and Sustainability in everything we do.

Since its inception in 2005 and subsequent establishment as a University in 2010 (vide Odisha Act 4 of 2010), Centurion has created a unique environment that ensures a tailored learning and employability path for youth in some of the poorest and underserved geographies in Odisha and Andhra Pradesh.

Centurion has embraced the Agenda for Sustainable Development and the associated Sustainable Development Goals (SDGs) since being formally announced in 2015. SDGs have been both formally and informally used as a guiding framework and are now firmly embedded in the Centurion DNA. Whilst having an indirect impact and contribution on almost all 17 SDGs, Centurion has specifically focused on 9 SDGs and embedded it in everything from its strategy, governance, institutional management and outcomes.

CUTM ALUMNI NETWORK AT A GLANCE

Established in 2007, Centurion University Alumni Network creates and maintains a life-long connection between the institute and its alumni through its official association. In collaboration with an extremely dedicated volunteer Board of Directors, the Alumni Association works to connect alumni, support students and build an unforgettable Institute experience through a diversity of events, programming and services. The mission of the Association is to foster strong bonds between alumni, students and the institute to keep alumni informed, and create a network enabling them to remain engaged with their alma mater and help shape it's future.

The University's alumni through its six different campuses (Paralakhemundi, Bhubaneswar, Balasore, Rayagada, Balangir & Chatrapur) are its lasting legacy and strongest voice. Finding new ways to build an engaged membership base is an integral task of the Association. Joining CUTM Alumni Association is one of the easiest ways to reconnect, give back to the Institute, and serve as a springboard for further involvement developing an active and engaged alumni network empowers both the Institute and its graduates.

The contribution of our alumni make a difference to the University, in terms of interacting with the Institute or its student body, attending events, working with the Institute on various Legacy projects or serving as volunteers etc.

The Alumni Association continues to seek innovative ways to serve alumni by providing social, educational, and professional opportunities that appeal to our broad constituency.

We are glad to share that the **Virtual Alumni Meet 2022 of Centurion University, Odisha** as part of our **Alumni Connect Initiative** has been completed successfully. Please find below a brief report on the same.

Please find below a brief report on the same.

More than 280 alumni from all previous batches across the campuses of CUTM attended the meet.

All the Alumni were welcomed by the student and faculty volunteers to the virtual alumni meet

Opening the discussion, Dr. Anita Patra, Registrar, CUTM, Odisha welcomed the members from the University and the Alumni present in the meet. She made a brief introduction of the objective of the meeting and highlighted the responsibilities of the CUTM & alumni towards post Covid-19 situation.

She invited Dr. Supriya Pattnaik, VC, CUTM Odisha, Prof. D.N. Rao, Vice President, CUTM & Dr. Mukti

Kanta Mishra, President, CUTM, Dr. Prasanta Kumar Mohanty, Dean Academics, Prof. KVD Prakash,

Dean, IIE-HRD, all the alumni & faculty members like Dr. C.R Rao, Dr. Puspanjali Mishra, Dr. Raju Sir, Dr. Ramananda Nayak, Dr. Manas Mishra, Dr. Santosh Patro, Mr. Manoj Nayak, President, JITM-CUTM Alumni Association, to speak on this occasion.

The summary of the expectations from the alumni towards the university post Covid-19 are as per the following.

Help in connecting to other Alumni and make a strong Database.

- a. Help newly lunched schools in regard to promoting its brand.
- b. Series of alumni talk promoting & training the students.
- c. Lead in arranging alumni meet and home coming events on a regular basis.
- d. Contribute for the academic development of the current University students.
- e. Play a vital role in placement activities of the University.
- f. Take interest in fund generation from different sources for the economically backward students of the University.
- g. Showing interest in the Startup initiatives of CUTM & GT Entities.
- h. Taking active part in the Social Initiatives of the University.
- i. Support the new technology based domain learning by either being associated as industry partners or through workshops.

All the members present in the meet valued the old memories of the last 25 years. Many of the alumni and old batch faculty members and senior management team have graced the occasion through virtual mode. Mr. Manoj Nayak, President, JITMCUTM Alumni Association and Mr. N G

Reddy, Advisor, JITMCUTM Alumni Association briefed their experiences of JITM & CUTM and requested all the Alumni to contribute in whatever manner for the growth of the University. There were more than 40 Alumni who shared their old memorable experiences during their study at JITM/CUTM. All of them are assured of providing any sort of assistance for improving the University status with their contribution of their own capacity.

The alumni pledged their commitment to improve the industry institute linkages and mentor current students with a sequence of structured alumni talks and seminars. All the alumni were extremely happy as they recalled their yester years of college days and they could meet their teachers also on this occasion. They all have shared the progress, milestones, and plans for the future, and explained the significance of alumni reunion for the growth of the institution and the individuals. Since 1997 when the University was founded till 2022, different programs, courses, schools and departments have gradually added to the alumni network and many of them have reached responsible and senior positions in the industry as well.

Alumni of the Institute expressed to lend their helping hands and support the Institute. There are plans now, in the Institute, to brief the current batches of the students regarding the corporate expectations of new technology, current market trend in terms of job etc. Many alumni are willing to visit the campus and share their industry experiences with students. All alumni were ecstatic with the streamlining of the alumni association because it provides the necessary networking ecosystem to leverage their friends, teachers, and colleagues to seamlessly share their experience. A sense of belongingness, pride, and enthusiasm evident in their interaction with all the chaired persons. Dr. Sangram Keshari Swain, Dean, Exam & Students Welfare, CUTM proposed Vote of thanks to all the Alumni and their family members expecting everybody's cooperation and involvement for future developments of the University.

The event was coordinated by Ms. Savita Jena, Dr. Durga Prasad Padhi, Dr. Prajna Pani, Prof Sambeet Patro, Dr. Atanu Deb and Dr. Sangram Keshari Swain. Thanks to all the Students, Staff & Faculty who worked patiently during the whole time to make this a success. Special thanks to Team Administration, Team Security, Team MRC, Team Maintenance, Team Accounts, Team Hospitality and Team Housekeeping for their support and involvement. Special Thanks to the Senior Management for their support.

The Virtual Alumni Meet 2022 closed with a euphoric mood. Everyone appreciated the initiative and effort of the university in organizing the much necessary Meet. With a resolve to visit again and spread the message amongst all who could not visit this time. The overall mood was ecstatic and very encouraging. Please find the photographs of the event from the link @ <https://photos.app.goo.gl/KGvithjrpazcrPINh28>. Please find the YouTube Live Link of the Day-1 interaction session @ <https://youtu.be/2GEhcR0wberA>. Special thanks to all the alumni present during the meet. Thank You everyone from the organising team to all those involved directly or indirectly to make the event a success!

Thank You.

Group Photo of Homecoming alumni Meet – 2022 at Paralakhemundi Campus

More than 250 alumni from all previous batches of JITM - CUTM (1997-21 to 2022) attended the meeting. All the Alumni and their family members were welcomed by the student and faculty volunteers on the first half of 25th December 22.

The program was as follows:

- Registration after arriving at the campus
- Alumni KIT has been distributed (Alumni T-shirts, university brochures, cookies, etc)
- Chief Guest's Speech & Interaction
- Jog the **College days Memories** by Alumni
- Book launch by alumni
- **Memories Uncut**
- Group Photoshoot
- Lunch Group
- LAB and campus visit
- Art and cultural activities performance by the Jr.Students.

Special designed T-Shirts were distributed to all the Alumni and their Spouses.

After breakfast, all the Alumni gathered at New Auditorium for interaction with SMT members, Old & New faculties, and students. Opening the discussion, Dr. Anita Patra, Registrar, CUTM, Odisha welcomed the members from the University and the Alumni present in the meeting. She made a brief introduction of the purpose of the meeting.

She invited De. Madhu (daughter of Dr. YVN Rao Sir, Founder of JITM), old batch faculty members like Dr. C.R Rao, Dr. Puspanjali Mishra, Dr. Raju Sir, Dr. Ramananda Nayak, Dr. Manas Mishra, Dr. Santosh Patro, Mr. Manoj Nayak, President, JITM-CUTM Alumni Association, Dr. Supriya Pattnaik, VC, CUTM Odisha, Prof. D.N. Rao, Vice President, CUTM & Dr. Mukti Kanta Mishra, President, CUTM to speak on this occasion. All were briefed the inception of JITM, then JITM getting status of the University and becoming CUTM, then to the present state of the University and the current activities of the university. The summary of the expectations from the alumni towards the university is as per the following.

- a. Help in connecting to other Alumni and making a strong Database.
- b. Lead in arranging alumni meet and homecoming events on a regular basis.
- c. Contribute to the academic development of the current University students.
- d. Play a vital role in placement activities of the University.
- e. Take interest in fund generation from different sources for the economically backward students of the University.
- f. Showing interest in the Startup initiatives of CUTM & GT Entities.
- g. Making contributions to the Social Entrepreneurship initiatives by the University.
- h. Contribution to the different Research Centers of the University.
- i. Taking an active part in the Social Initiatives of the University.
- j. Support the new technology-based domain learning by either being associated as industry partners or through workshops.
- k. Developing a continuous relationship with the University and bringing the family members to see the work we are doing.

Everyone cherished the old memories of the last 25 years. The 1st batch alumni, first batch & second batch faculty members were felicitated by the senior members present. Some of the alumni and old batch faculty members and senior management team have graced the occasion through virtual mode. Mr. Manoj Nayak, President, JITM-CUTM Alumni Association and Mr. N G Reddy, Advisor, JITM-CUTM Alumni Association briefed their experiences of JITM & CUTM and requested all the Alumni to contribute in whatever manner for the growth of the University. There were more than 50 Alumni who shared their old memorable experiences during their study at JITM/CUTM. All of them are assured of providing any sort of assistance for improving the University status with their contribution of their own capacity.

The alumni pledged their commitment to improve the industry institute linkages and mentor current students with a sequence of structured alumni talks and seminars. All the alumni were extremely happy as they recalled their yester years of college days and they could meet their teachers also on this occasion. They all have shared the progress, milestones, and plans for the future, and explained the significance of alumni reunion for the growth of the institution and the individuals. Since 1997 when the University was founded till 2022, different programs, courses, schools and departments have gradually added to the alumni network and many of them have reached responsible and senior positions in the industry as well.

Alumni of the Institute expressed to lend their helping hands and support the Institute. There are plans now, in the Institute, to brief the current batches of the students regarding the corporate expectations of new technology, current market trend in terms of job etc. Many alumni are willing

to visit the campus and share their industry experiences with students. All alumni were ecstatic with the streamlining of the alumni association because it provides the necessary networking ecosystem to leverage their friends, teachers, and colleagues to seamlessly share their experience. A sense of belongingness, pride, and enthusiasm evident in their interaction with all the chaired persons.

Dr. Anita Patra, Registrar, CUTM, Odisha- proposed a Vote of thanks to all the Alumni and their family members expecting everybody's cooperation and involvement in future developments of the University.

After the delicious lunch, there was a motivational session taken by Dr. C R Rao Sir on Pyramid Meditation for the alumni, students, and staff members. Parallely, we had a campus tour of the interested alumni. There were spectacular cultural performances showcased by the student volunteers on different cultures. Some Alumni performed too. After the cultural performances, all the gathering enjoyed dancing to the tunes of the DJ. Everybody had snacks prepared by the student volunteers at their stalls and enjoyed it a lot. Campfires at late night added a lot of fun and enjoyment to all the Alumni and their family members. Finally, the eventful and happening day came to an end with a sumptuous dinner.

As per the plan we had several interactive sessions with alumni present of Day 2 after having the continental breakfast prepared by the student volunteers. We also had some fun games and a treasure hunt. The memorable day came to an end after the special lunch. All the Alumni and their family members left campus taking a lot of sweet memories, fun, enjoyment, and smiles.

The event was coordinated by Ms. Savita Jena, Dr. Durga Prasad Padhi, Dr. Prajna Pani, Prof Sambeet Patro, Dr. Atanu Deb, and Dr. Sangram Keshari Swain. Thanks to all the Students, Staff & Faculty who worked patiently during the whole time to make this a success. Special thanks to Team Administration, Team Security, Team MRC, Team Maintenance, Team Accounts, Team Hospitality, and Team Housekeeping for their support and involvement. Special Thanks to the Senior Management for their support.

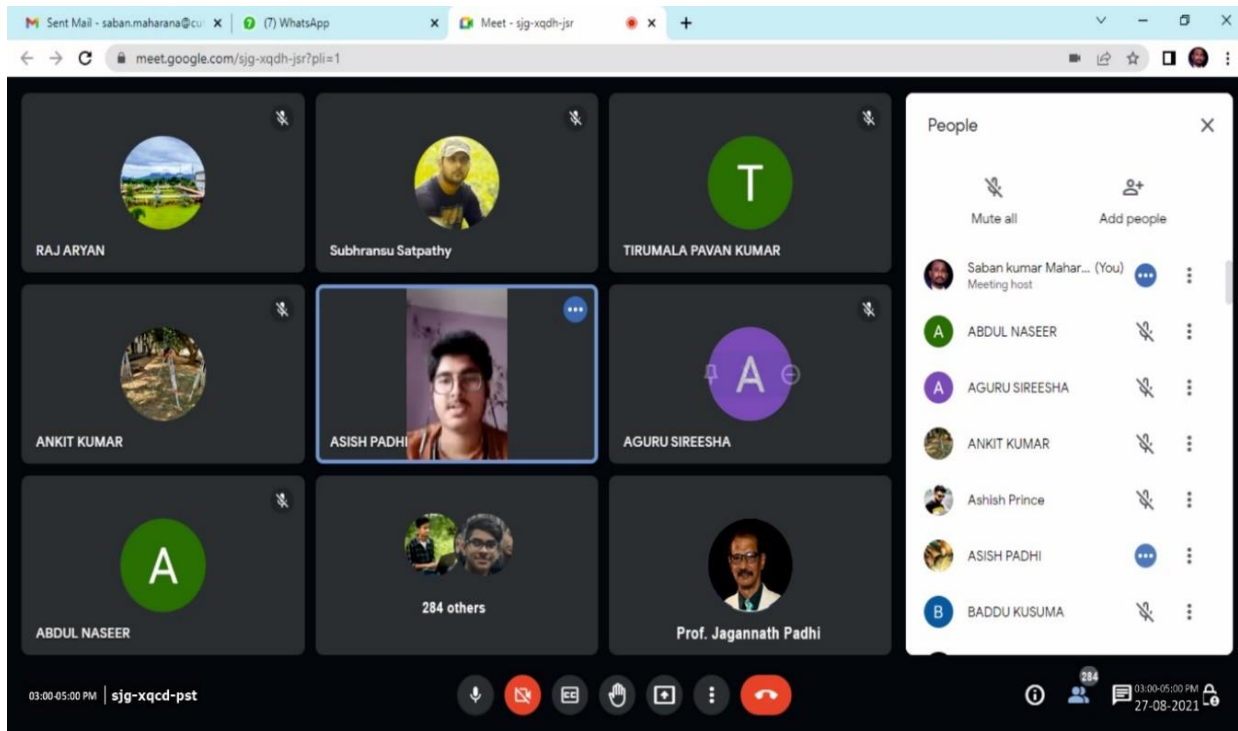

Home Coming 2022 closed with a euphoric mood. Everyone appreciated the initiative and effort of the university in organizing the necessary Meet. After formal interaction, alumni and other members had a round of campus visits especially all labs on the campus. All of them were surprised to see such high-class lab facilities available on their campus and expressed their happiness.

Finally grand welcome by Jr. students for Alumni in a tribal village with firecrackers, then a dance performance singing, and DJ it was a very mesmerizing and fun night for participants

All alumni were ecstatic with the streamlining of the alumni association because it provided the necessary networking ecosystem to leverage their friends, teachers, and colleagues to seamlessly share their experiences. The alumni pledged their commitment to improve the industry-institute linkages and mentor current students with a sequence of structured alumni talks and seminars.

Homecoming 2021 Alumni Meet closed with an ecstatic mood, everyone appreciated the initiative and effort of the university in organizing the much necessary Homecoming Alumni Meet. With a resolve to visit again and spread the message amongst all who could not visit this time.

The homecoming 2021 alumni meet was concluded by sharing group pictures with all alumni who participated in this event.

Alumni on stage enjoying Band

The overall mood was ecstatic and very encouraging for all.

The outcome of the event: During the lab visit, alumni Manoj Kumar Nayak expresses his desire and interest in setting up a center or lab unit in the collaboration with his company Infosys.

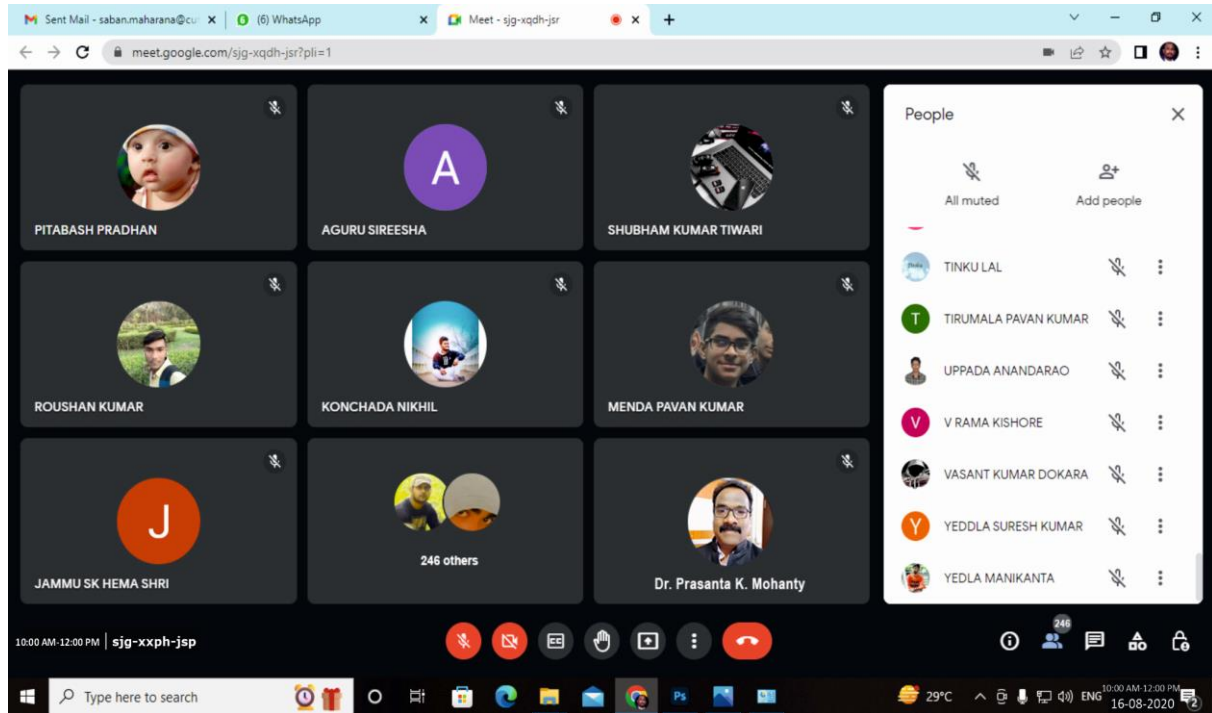

For this specifically, he shows his desire to visit the Dassault lab, and for that, we have invited him to visit the CUTM BBSR campus.

VIRTUAL MEET - I – 2020

Date: 16th August 2020

Mode: Virtual (Zoom) Platform, Centurion University,

Time: 10.00 am – 12.00 pm

Alumni meet online - 2020

AGENDA

SI No	Name of the Event	Time
1	Welcome Address by the Registrar (Dr. Anita Patra)	10.00 AM
2	Alumni Association) Program Briefing by Mr. Manoj Nayak (President)	10.10 AM
3	Video on Years Journey of CUTM (Virtual Campus Tour)	10.20 AM
4	Experience Sharing by Alumni (Coordinated by Dr. Prajna Pani)	10.30 PM

5	Interaction with Alumni (Coordinated by Dr. Atanu and Dr. Sangram)	11.00 AM
6	Felicitating Alumni with Token of Appreciation	11.30 PM
7	Vote of Thanks by Organizing Team (Prof. Sambit Patro)	11.50 PM
8	End of the Program	12.00 PM

More than 200 alumni from across batches & disciplines of CUTM (199721 to 2019) attended the meet. All the Alumni were welcomed by the faculty members present in the meet. Opening the discussion, Dr. Anita Patra, Registrar, CUTM, Odisha welcomed the members from the University and the Alumni present in the meet. She made a brief introduction of the purpose of the meeting during pandemic. All the members took the oath to extend possible help to the community during the Covid-19.

Dr. Anita Patra invited members like Dr. C.R Rao, Dr. Puspanjali Mishra, Dr. Raju Sir, Dr. Ramananda Nayak, Dr. Manas Mishra, Dr. Santosh Patro, Mr. Manoj Nayak, President, Dr. Supriya Pattnaik, VC, CUTM Odisha, Prof. D.N. Rao, Vice President, CUTM & Dr. Mukti Kanta Mishra, President, Dr.P.K. Mohanty, Dean Academics, CUTM to speak on this occasion. All briefed the inception of JITM, then JITM getting status of the University and becoming CUTM, then to the present state of the University and about the current activities of the university. The summary of the expectations from the alumni towards the university are as per the following.

- a. Help in connecting to other Alumni and make a strong Database.
- b. Lead in arranging alumni meet and home coming events on a regular basis.
- c. Contribute for the academic development of the current University students.
- d. Play a vital role in placement activities of the University.
- e. Take interest in fund generation from different sources for the economically backward students of the University.
- f. Showing interest in the Startup initiatives of CUTM & GT Entities.
- g. Making contributions in the Social Entrepreneurship initiatives by the University.
- h. Contribution for the different Research Centers of the University.
- i. Taking active part in the Social Initiatives of the University.
- j. Support the new technology based domain learning by either being associated as industry partners or through workshops.
- k. Developing a continuous relationship with the University and bringing the family members to see the work we are doing.

Everyone cherished the old memories of the last 20+ years. Some of the alumni and old batch faculty members and senior management team have graced the occasion through virtual mode. Mr. Manoj Nayak, President, JITM-CUTM Alumni Association and Mr. N G Reddy, Advisor, JITM-CUTM Alumni Association briefed their experiences of JITM & CUTM and requested all the Alumni to contribute in whatever manner for the growth of the University. There were more than 30 Alumni

who shared their old memorable experiences & takeaway during their study at CUTM. All of them assured of providing possible support & assistance for improving the University status with their contribution of their own capacity.

The alumni pledged their commitment to improve the industry institute linkages and mentor current students with a sequence of structured alumni talks and seminars. All the alumni were extremely happy as they recalled their yester years of college days and they could meet their teachers also on this occasion. They all have shared the progress, milestones, and plans for the future, and explained the significance of alumni reunion for the growth of the institution and the individuals. Since 1997 when the University was founded till 2020, different programs, courses, schools and departments have gradually added to the alumni network and many of them have reached responsible and senior positions in the industry as well.

Alumni of the Institute expressed to lend their helping hands and support the Institute. There are plans now, in the Institute, to brief the current batches of the students regarding the corporate expectations of new technology, current market trend in terms of job etc. Many alumni shown their interest to visit the campus and share their industry exposure with students. All alumni were ecstatic with the streamlining of the alumni association because it provides the necessary networking ecosystem to leverage their friends, teachers, and colleagues to seamlessly share their experience. A sense of belongingness, pride, and enthusiasm evident in their interaction with all the chaired persons.

Dr. Anita Patra, Registrar, CUTM, Odisha proposed Vote of thanks to all the Alumni expecting everybody's cooperation and involvement for future developments of the University.

The event was coordinated by Ms. Savita Jena, Dr. Durga Prasad Padhi, Dr. Prajna Pani, Prof Sambeet Patro, Dr. Atanu Deb and Dr. Sangram Keshari Swain.

Thanks to all the Students, Staff & Faculty who worked patiently during the whole time to make this a success. Special thanks to Team Administration, Team Security, Team MRC, Team Maintenance, Team Accounts, Team Hospitality and Team Housekeeping for their support and involvement. Special Thanks to the Senior Management for their support.

4. Mr. Shakti Khadanga, Alumni Coordinator, Hyderabad Chapter (2005-09 batch)
5. 32 Alumni of different batches and campuses along with their families

Registrar, CUTM Dr. Anita Patra addressing Alumni Members at Hyderabad Chapter

AGENDA:

1. Welcome address by Mr. Shakti Khadanga.
2. Address by Dr. Sangram Keshari Swain on alumni engagement in the development of the University.
3. Brief note about the University by Dr. Anita Patra.
4. Address by Prof. Sambeet Patro on Alumni linkages and future events.
5. Experience sharing by Alumni.
6. Vote of thanks by Mr. Sitesh Mohanty, 1998-2002 Batch.

DETAILED DISCUSSION:

1. Opening the discussion, Mr. Shakti Khadanga, Alumni Coordinator, Hyderabad Chapter welcomed the members from the University and the alumni present in the meet. He made a brief introduction of the purpose of the meeting. He also briefed about Alumni Association to all the members. A summary of the discussion is presented below :

- a. Alumni association of JITM was registered under society act with registration number 08/08-09 dated 7th July 2008.
- b. As JITM has been accorded the status of a University with the name Centurion University of Technology and Management another association is registered with the name Centurion University Alumni Association.

- c. Every year the association is conducting alumni meet at different parts.
- d. One home coming event was conducted on 26th December 2015.
- e. The association has decided to conduct alumni meet in every three months in different places.

2. Dr. Sangram Keshari Swain, Dean Students' Welfare, CUTM, Bhubaneswar Campus, briefed about the current activities of the university. He requested all the alumni to contribute to the following four points.

- a. Help in preparing the proper database of alumni.
- b. Lead in arranging alumni meet and homecoming events on a regular basis.
- c. Contribute to the academic development of the current University students.
- d. Play a vital role in placement activities of the University and fund contribution.

3. Dr. Anita Patra, Registrar, CUTM, Odisha, briefly explained the whole gathering since the inception of JITM, then JITM getting status of the University and become CUTM, then to the present state of the University on the following points.

- a. Choice Based Credit System
- b. Domain Based Learning
- c. Project Based Learning Pedagogy
- d. Hands-on Learning
- e. Action Research
- f. Start-up initiatives of Centurions and its progress.
- g. Social Entrepreneurship initiatives by the University
- h. She suggested alumni involvement to support the new technology-based domain learning by either being associated as industry partners or through workshops.

4. Prof. Sambheet Patro, Coordinator, Alumni Association, CUTM, Odisha briefed on the Alumni linkages and future events.

- a. Two homecoming events are planned this year (2019). One in Paralakhemundi Campus and another in Bhubaneswar Campus.
- b. The homecoming event at Paralakhemundi is scheduled on 23 - 24 December 2019.
- c. The homecoming event at Bhubaneswar is scheduled after the Paralakhemundi event. The exact date would be decided soon.
- d. Will be using a dedicated web-based application having all alumni details and they will have access and could share their views and updates with others.

5. Sharing Memory: There were more than 20 alumni shared their old memorable experiences during their study at JITM/CUTM. All of them assured of providing any sort of assistance for

improving the University's status with their contribution of own capacity. Some of the details of alumni shared their experiences are given below (not in particular order or format):

 - ii. Mr. Manoj Kumar Nayak, President of the Alumni association briefed about the association to all the members. A summary of the discussion is presented below:
 - iii. Alumni association of JITM was registered under the society act with registration number 08/08- 09 dated 7th July 2008.
 - iv. As JITM has been accorded the status of a University with the name Centurion University of Technology and Management another association will be registered with the name Centurion University Alumni Association.
 - v. Every year the association is conducting alumni meet at different parts.
 - vi. One homecoming event was conducted on 26th December 2015.
 - vii. The association has decided to conduct alumni meet in every two months in different places.
 - viii. Two homecoming events are planned this year (2018). One in Paralakhemundi Campus and One in Bhubaneswar Campus.
 - ix. The homecoming event at Paralakhemundi is scheduled on 23rd December 2018.
 - x. The homecoming event at Bhubaneswar is scheduled for the 4th week of October.
 - xi. The Hyderabad chapter of the association was inaugurated in the meeting and the following members initiated to coordinate the Hyderabad Chapter.

Sl.No.	Alumni Association Chapter members	Contact No.
1	Gaurab Chaudhuri	9866078882
2	Sachidananda Rao	9963489997
3	Shakti Prada Khadanga	7680885267
4	Budharam Patnaik	9553933023
5	K. Pawan	8056018494

6	Abinas Behera	8142492666
7	Paresh Kumar Barado	9666839222
8	K. Sujit Kumar	9494092709
9	Sanjay Kumar Das	9437772157
10	Mahesh Tiwari	9692365483
11	Amar Nissi Bhatra	8763974170
12	Y. Avishek	7893232424

xii. The next alumni meet is decided to be conducted in Bangalore during July 2018 and the following members were nominated to coordinate the Bangalore meet.

a. Anil Kumar Das- 9900922763

b. U. Sridevi- 7205537791

c. Preetam Mahapatra- 9438281480

7. Prof. Rajdeep Mohanty, Pro VC (Training and Placement), CUTM, Paralakhemundi briefed about the current training and placement activities of the university. He insisted that alumni could be the best support for T & P of the university by guiding students, interacting with students by visiting the campus, and keeping updated on the current trends of the industry. He welcomed any suggestions to improve the placement activity and also welcomed any references by the alumni in this regard.
8. Prof. (Dr.) Anita Patra, Registrar, CUTM, Paralakhemundi, briefed on the present status of the university on the following points. a. Choice-based credit system b. Domain-based subjects c. Project-based learning pedagogy d. Student achievements in go-cart competition at LPU, Punjab. e. Start-up initiatives of CUTM students and their progress. f. She suggested alumni involvement to support domain-based learning by either being associated as industry partners or through workshops.
9. Prof. (Dr.) Prajna Pani started with the tagline of the University 'Shaping lives and empowering communities, and how each of us adds value to the self, family, university/organization, and society in different ways. She also suggested during the interaction to develop one web-based application where all the alumni will have access and could share their views and updates with others. 6. The meeting concluded

with a display of colorful handprints to create loving memories. 7. As there were no other points left for discussion the meeting ended with a vote of thanks to all the present members.

Handprints by all alumni participants

ALUMNI-MEET-MUMBAI – 2017

Report on CUTM-Alumni Meet at Mumbai - 2017

On Dt.14th September 2017, for the first time since 1997, Centurion University of Technology and management conducted the Mumbai Alumni meet at **Marigold Residency Hotel**, Andheri East, Mumbai.

Around 24 alumni from Mumbai participated reunion meet in Mumbai. Alumni from all previous batches of engineering and management attended the meet.

Prof. D.N. Rao, Vice President, Centurion University of Technology and Management, graced the occasion as the chief guest

In his inaugural address, he shared the progress, milestones, and plans for the future. He explained the significance of alumni reunions for the growth of the institution and the individuals. He advised creating a Whatsapp group of the attendees to share their detailed experiences and have regular information sharing between alumni and the university

From 1997 when the University was founded till 2017, batches of engineering, MBA, DIPLOMA, ITI, Agriculture, and various other departments have gradually added to the

alumni network of Centurion University of Technology and Management to reach responsible and senior positions in the industry.

Alumni of the Institute expressed to lend their helping hands and support the Institute. There are plans now, in the Institute, to brief the current batches of the students regarding the corporate expectations of new technology, current market trends in terms of jobs, training, and internships, etc. Many alumni are willing to visit the campus and shared their industry experiences with students

Prof. D.N. Rao, Vice President, CUTM while interacting with alumni

All alumni were ecstatic with the streamlining of the alumni association because it provided the necessary networking ecosystem to leverage their friends, teachers, and colleagues to seamlessly share their experiences. A sense of belongingness, pride, and enthusiasm is evident in their interaction with Prof. D.N. Rao. The alumni pledged their commitment to improve the industry-institute linkages and mentor current students with a sequence of structured alumni talks and seminars.

Mumbai Alumni Meet 2017 closed in a euphoric mood. Everyone appreciated the initiative and effort of the university in organizing the much necessary Mumbai Alumni Meet. With a resolve to visit again and spread the message amongst all who could not visit this time, the Mumbai Alumni Meet 2017 was concluded with a fantastic dinner. The overall mood was ecstatic and very encouraging. Bangalore Alumni meet 2017 is queued and its plan preparation is underway.

ALUMNI SUPPORT

TALK SERIES

Alumni talk by alumni Dr. Saunik Kiran Kumar Dash on Dt. 27th October 2018

(B.Tech.), Electronics & Communications Engineering 2009 - 2013 batch, Grade: (9/10)

Dr. Saunik Kiran Kumar Dash Presently Dr. Sounik is working as a Research Scientist (A) at the National University of Singapore.

Prior to that, he was working as a Post-Doctoral Research Fellow at SUSTech, China, and as a Professor (Assistant) in SRM University, Chennai. His research works were supported by the National Natural Science Foundation (NSFC) of China and the University Key Research Project of Guangdong Province, China.

He is a young dynamic scholar with an interest in innovation, research & development, social networking, and societal impactful work through technology.

His current research interests include

SIW Antennas, Dielectric Resonator Antennas (DRAs), RF energy harvesting, 5G Communication, Flexible Antenna (Graphene), etc.

He has good expertise in Microwave antennas and Circuit design using Ansys HFSS, Microwave CST, MATLAB, ADS, [Origin, EDraw], etc.

He has authored or co-authored Two Books, One Book Chapter, and over thirty (30) research articles in refereed journals (SCI indexed) and flagship conferences/symposia proceedings of international repute.

He has received several awards/grants:

- *Travel Grant from European Microwave Week (EuMW) 2020, Netherlands*
- *Special Student Grant from the European Microwave Association (EuMA), Belgium.*
- *Ranked in "Top 10 Best Research Papers" (out of >1600 entries) at European Microwave Week 2017, Nuremberg, Germany.*
- *Foreign Travel Grant from the Council of Scientific & Industrial Research (CSIR), Govt. of India.*
- *Selected for Young Scientist International Travel Support from SERB, Dept. of Science and Technology, Govt. of India for attending International Symposium in Montreal, Canada.*

- Selected for IEEE R10 Student Grant for attending IEEE Humanitarian Conference 2017 in Dhaka, Bangladesh.
- Research Article Video Presentation featured at the Knowledge Centre of European Microwave Association (EuMA), Belgium.
- TEQIP-III Student Grant (Research Group) from TEQIP, Ministry of HRD, Govt. of India.
- Institute Fellowship from Ministry of HRD, Govt. of India.
- CAFAS Merit Scholarship from the Dept. of Higher Education, Govt. of Odisha, India. Membership:
- Member IEEE APS (USA), Member URSI (Belgium), Member IAENG (Hong Kong).

For more information: <https://sites.google.com/view/sounikkiran>

During his Ph.D. work, he has also received the prestigious "Student Grant Award" from the European Microwave Conference (EuMC), Germany, and the "Foreign Travel Grant" from the Council of Scientific & Industrial Research (CSIR), Govt. of India in addition to institute fellowship.

During the alumni talk, he was sharing his campus life and professional life journey. The main objective behind the conduction of the talk was to make students aware of the placement process of cognizant and other software companies. He spoke about the placement process of cognizant and also shared his working culture in the company. He also spoke about the challenges that are being faced by the student for placement and how to resolve them. He also shared his experience while attending aptitude tests and interviews in various companies. He also spoke about the role of ECE engineers in IT companies. 100 plus students participated

Alumni talk by Pradyot Mohanty on Dt. August 19, 2021

(B.Tech.), Electronics & Communications Engineering 2008 - 2012 batch

Alumni Pradyot Mohanty did his B. Tech from the Department of ECE, Centurion University of Technology and Management, Bhubaneswar, Odisha, India in 2012. He is currently posted at Warsaw, Mazowieckie, Poland as a Senior Software Engineer at Luxoft since Aug 2020

8+yrs of overall exp and 6+ years of exclusive experience on Hadoop and its components as mentioned below.

- HDFS, Map-Reduce, Yarn, Apache Pig, Hive, Sqoop, WOOPRA (Web-Analytic Application), shell scripting, Kafka, and Spark in Scala.
- Created job to export & import data using Sqoop from RDBMS to/from DataLake.

- *Worked on automating the Batch Job using shell scripts.*
- *Developed Spark job to process JSON data in Scala.*
- *Worked on requirement gathering and analysis, development, testing, Production Support, Problem-solving & troubleshooting skills.*
- *Worked on performance optimization of Hive scripts.*
- *Loaded streaming data to DataLake and processed data using Spark Streaming.*
- *Around 3 of overall years of exclusive experience on Hadoop & its components like HDFS, Map-Reduce, Yarn, Apache Pig, Hive, Sqoop, WOOPRA (Web-Analytic Application), shell scripting, Kafka and Spark in Scala.*
- *Created job to export & import data using Sqoop from RDBMS to/from DataLake.*
- *Worked on automating the Batch Job using shell scripts.*
- *Developed Spark job to process JSON data in Scala.*
- *Worked on requirement gathering and analysis, development, testing, -Production Support, Problem-solving & troubleshooting skills.*
- *Worked on performance optimization of Hive scripts.*
- *Loaded streaming data to DataLake and processed data using Spark Streaming.*
- *Provided Hadoop and Spark training to the team AZURE DATA FACTOR.*

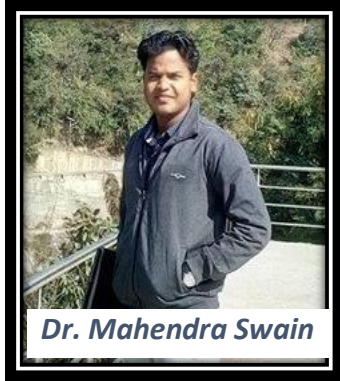

He was sharing his campus life journey with the students; about the good and bad activities, they did during their student life on campus and how they have been guided wisely by the faculties of the university.

He advised the students they should listen to the teachers because what they say is good for their future and will be helpful to the outside campus.

He also shares his struggle for a job outside the campus and how difficult is to get the job if can't make it in campus placement, and advises all students to prepare better for campus placements. A total 59 number of 59 students participated in the event.

Alumni talk by Dr. Mahendra Swain on Dt. 25th September 2021 BBSR

(B.Tech.), Electronics & Communications Engineering 2009 - 2013 batch

Dr. Mahendra Swain

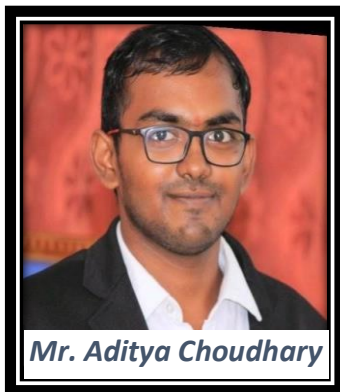

Dr. Mahendra Swain is a young and dynamic M. Tech Scholar at Lovely Professional University, Punjab.

In the year 2013, he did his Bachelor of Engineering degree in Electronics and Instrumentation Engineering from Centurion University Odisha. He served as an Assistant Professor at Lovely Professional University

In his alumni talk, he explained his carrier journey in CUTM and motivated students to do extra to peruse their dreams. He shares some professional life experiences and what extra students need to fight the challenges outside campus life. He also discussed the project, and what he was currently working.

While talking about campus life he expresses his gratitude towards the teachers of the campus and how helpful they were during the classroom teaching. 34 students participated in the event.

Alumni talk by Mr. Aditya Choudhary (B.Tech.) 2014 - 2018 batch

Mr. Aditya Choudhary

Alumni Aditya Choudhary is a Director -of the International Human rights & Crime Control Council -Odisha.

Aditya Choudhary is extremely energetic, disciplined, motivated, and always ready to help. He is open to ideas and looks at every task as doable and easy to deal with. He could be a great value add to every possible team, did his B. Tech from the Department of ECE, Centurion University of Technology and Management, Bhubaneswar, Odisha, India in 2018.

After B. Tech he completed his Master of Business Administration -MBA-Marketing from Birla Global University

In his talk, he explained his carrier journey in CUTM and motivated students to peruse their dreams. He also discussed his current project MO School (Under govt. Odisha) and share his success story and how he achieves this position.

Share his contact number if any kind of guidance students need after passing from campus, overall, it was a very motivating alumni talk, around 48 students had participated in this alumni talk.

Alumni talk by Mr.Saswat Pradhan on Dt.31st Oct 2021, B. Tech 2012 batch

Alumni Saswat Kumar Pradhan is currently working as Sr Software Engineer at Robert Bosch Engineering and Business Solution Ltd, Bengaluru.

Experienced Embedded Software Engineer with a demonstrated history of working in the automotive industry. Skilled in Embedded C, C (Programming Language), Automotive Technology, Microcontrollers, and Device Drivers. Strong engineering professional with a Bachelor of Technology - BTech focused in Electronics and Communication Engineering from Centurion University of Technology and Management,

Bhubaneswar, Odisha, India.

He was working as an Embedded Developer at HCL Technologies. During his alumni talk, he was speaking about basic technical difficulties which students usually face during the practical assignments. He offers the university for a workshop for the students on Embedded system. Previously he did a workshop on Embedded for 3 days on the CUTM campus. 43 students participated in the event.

Alumni talk by Girish Kalamati on Dt. 4th November 2019, B.TECH CSE 2011 batch

Alumni Girish Kalamati is currently working as DevOps Consultant at Amazon Web Services (AWS), Berlin Germany. In the year 2011, he did his Bachelor of Engineering degree in Electronics and Instrumentation Engineering from Centurion University Odisha

He has past working experience in multinational companies in overseas as mentioned below:

A Cloud Computing Engineer having varied 10+ years' experience, Worked as a

- *"Developer" in developing SAAS Delivery Platform for Mindtree*
- *"Support Engineer" for Azure Platform for Microsoft*
- *"Service Engineer" for Application Insights at Microsoft*
- *"DevOps" Engineer for TeleText Holidays*

- *"Devops Consultant" for CHUBB in EPAM"*
- *"DevOps Consultant" for Uniper and now Working as*
- *"DevOps Consultant - Professional Services II" for Amazon Web Services(AWS)*

As a cloud engineer, he poses product development skills and extensive knowledge of the cloud both on Azure & AWS.

In his talk, he explained his journey from the CUTM campus to professional life. He explains to students about the fundamental concept of Cloud Computing Engineer, Azure & AWS.

A total 97 number of students participated in the event.

Alumni talk by Samir Parhi on Dt. 27-09-2018 B.Tech EEE 2009-2013 batch

Alumni Samir Parhi is currently working as Senior DevSecOps Professional at Aerospace Limited, Bengaluru, Karnataka, India.

In the year 2013, he did his Bachelor of Engineering degree in Electronics and Instrumentation Engineering from Centurion University Odisha.

Samir Parhi is very Passionate about Building and Architecting highly available IT infrastructure based on Kubernetes. Implementing Service Mesh for Service discovery yet ensuring the security for data at transit. Implementing various best practices and DORA metric analysis to achieve high productivity. He Loves to mentor people at various stages of their development and operation.

In his talk, he shared how he was struggling to get the job, share his failure side and how he overcome the situation and reach the success he desires for.

He explains to students about the fundamental concept of IT infrastructure. 150 plus students participated in the event.

Alumni talk by Milan Prusti on Dt.31st Oct.202, B.Tech 2017-2021 batch

Alumni Milan Prusti is currently working as Software Engineer at Bosch Global Software Technologies (Deployed from Capgemini Engineering), Bengaluru, Karnataka, India Alumni Milan Prusti is the perfect example of how alumni help students to learn the latest technology and get placed in the Top company.

Alumni Saswat Pradhan as a mentor to the Milan Prusty after his B.Tech from Centurion University of Technology and Management-Odisha, he trained him as per company requirements and helped him to get placed in Bosch Global

Software Technologies

During his talk with students, he shared his experience of how alumni as mentors helped him to get placed.

Alumni talk by Manpreet Kour On. Dt.16th Jan 2021, CSREM-MBA 2008 batch

Alumni Ms . Manpreet Kour is currently working as Head Of Human Resources at HAPPY A Digital Lending FintechR Mumbai, Maharashtra, India

She was as Director of Alumni Relations at the Harvard Business School Club of India, Mumbai.

Alumni Ms . Manpreet Kour competent professional with over 10 years of relevant professional People Management, Talent Management, and Associate Relations experience. Have Excellent People skills, problem-solving ability, and good communication & presentation skills.

In her talk, she explained her journey from the CUTM campus to professional life.it was like her second home during her campus days.

She expressed her desire to be a student mentor and guide them to become industry ready.

**Alumni talk by Debasmith Parida on Dt.16th Jan 2021 during 11th
Foundation Day Celebration (10 Years Completion)**

B.Sc ag, Agriculture, Agriculture 2013 - 2017

Debasmith Parida

Alumni Debasmith Parida Presently is working as a District Programme Coordinator at Odisha Millets Mission, Odisha.

Debasmith Parida is extremely energetic, disciplined, motivated, and always ready to help, completed his B. Sc Agri from, Centurion University of Technology and Management, PKD, Odisha, India in 2017.

After B.Sc. in Agriculture, he did ABM Agricultural Business and Management from Orissa University of Agriculture and Technology in 2018-2020.

In his talk, he explained his journey from the CUTM campus to professional life.
